

ATTENTION!

Crack-sealing of the street pavement is scheduled to take place on Friday, August 28, 2026.

Please park your vehicles off the street or on a street that is not scheduled for crack sealing to allow the contractor to complete the work.

The contractor expects to perform the crack-sealing work at the following locations:

- Levato Lane (from Misty Creek Drive to Plantain Drive)
- Bluestem Lane/Court (from Misty Creek Drive to Sedge Pass, including Fayette Court)
- Crowfoot Lane (from Misty Creek Drive to Bluestem Lane)
- West Street (from Mondamin Street to Church Street)
- Deerpath Drive (from Davidson Drive to Coady Drive)
- Shawnee Drive (from Davidson Drive to Coady Drive)
- Buffalo Drive (from Deerpath Drive to Shawnee Drive)

The locations are listed in no particular order.

Please note that the schedule is tentative and subject to change due to weather, equipment availability, and other unforeseen circumstances. We will do our best to keep residents informed of any schedule changes and will provide additional updates as more information becomes available.

If you have any questions or concerns, please contact the Minooka Public Works Department at 815-467-8868.

THANK YOU FOR YOUR PATIENCE AND COOPERATION!
